

Bank of America is one of the world's leading financial institutions, serving individual consumers, small and middle-market businesses and large corporations with a full range of banking, investing, asset management and other financial and risk management products and services.

Fulfilling your mission requires extensive knowledge, experience and commitment. That's why Bank of America Merrill Lynch has a Not for Profit Banking team dedicated to meeting the needs of social service, cultural, membership and faith-based organizations nationwide. Understanding the not for profit sector is critical to providing financial solutions that best support your organization and those you serve. With a national platform and local teams of specialists, we help address your full range of objectives, from funding growth and operations to enhancing cash flows and efficiency, managing risk, supporting employees and more.
