

Bill Rankin

Manager, Consulting Services Group, American Technology Services, Inc.

William (Bill) Rankin is the Compliance Manager at American Technology Services and has special expertise in business analysis, ITIL, GDPR, and NIST 800-171 compliance. Bill is certified as an EU General Data Protection Regulation Practitioner (GDPR P) by the International Board for IT Governance Qualifications (IBITGQ). Bill and his team at American Technology Services have been working with organizations to provide advice and education on GDPR and to implement solutions around the people, process, and technologies needed to work towards compliance with the regulation.
