

Loretta DeLuca, FASAE
CEO, DelCor Technology Solutions, Inc.

As founder and CEO of DelCor Technology Solutions, Loretta Monterastelli DeLuca is committed to helping associations achieve their missions through technology. She is a 24-year member and former board member of ASAE, and a former FAR and Mid-Atlantic Make-A-Wish board member. She is a current member of Association Forum as well as a member of the Board of Visitors of the Children's Medical National System. She was a founding member of ASAE's Technology Section Council, and previous Chair of this council as well as the Key Consultants Committee. She is a former member of ASAE groups including the Industry Partner Alliance, currently serving on the Executive Council as well as the Power of A and Summit Awards Committees. For her contributions to the association community, she has been recognized as an ASAE Fellow, inducted into ASAE's Academy of Leaders, and awarded Association TRENDS 2017 Association Partner of the Year.
