

Mike Guerrieri, CAE

Strategic Technology Consultant, DelCor Technology Solutions, Inc.

With more than 30 years of experience in the association space and 25 years as a senior IT executive, Mike Guerrieri has a history of dynamic leadership, strategic thinking, problem-solving, and team building. He is an experienced and effective leader who excels at planning and communicating technology initiatives that advance the strategic goals of the overall enterprise. He works with clients to focus on outcomes while helping them build high performing cross-functional teams.

Mike holds a B.S. degree in Information Systems Management, Magna Cum Laude, from the University of Maryland, Baltimore County, and an M.S. degree in Applied Behavioral Science/Organization Development from Johns Hopkins University. Before joining DelCor in 2016, he served as the IT Director for the American Speech-Language-Hearing Association (ASHA), where he led the overall strategic direction of information technology.
